Court Buying Process

Step 1: Planning. We make it simple! Schedule a site visit where one of our friendly court building experts can help you brainstorm ideas for your space. After understanding the construction variables and scope of the project, we will provide you with a 'Rough Budget.'

Step 2: Customization. Ideas come to life! Receive a custom layout and estimate that is specific to your project. We will work with you to fine-tune everything until you have a Final Plan that 1) Reflects the court of your Dreams and 2) does so within your established budget.

Step 3: Construction. Get this court built! Sit back and watch the transformation take place as we build your project from start to finish. Our court building experts apply intricate details gained from years of court building experience.

Step 4: Enjoy a Lifetime of Family Fun! Create unforgettable experiences and memories with your family as your home quickly becomes the 'Hang-Out' house. While other kids are dazed in front of their digital devices, your kids will be living out their healthy new lifestyle.
